

Head Coach **Jenn Testa** just finished her 1st year as head coach of the Tennessee High Viking Softball team. The Vikings more than doubled their win total from the previous season and saw much improvement statistically throughout the 2019 campaign.

Prior to 2019 Testa served as the Head Softball Coach at King University for 10 years. During that time she brought the softball program to new heights, with three Conference Carolinas Championships and two NCAA Regional Appearances. In 2018, the softball team became the first King program to win an NCAA Tournament game, winning a pair to reach the regional final.

King Highlights

- *1 Conference Carolinas Regular Season Title
- *2 Conference Carolinas Tournament Championships
- *4 30-win seasons
- *School record 36 wins in 2018
- *2 Conference Carolinas Player of the Year
- *2 Conference Carolinas Pitcher of the Year

Sammi Chafin brings a wealth of knowledge to the Viking coaching staff with over 15 years of coaching experience and a highly successful playing career. Chafin played 4 years at Carson Newman and is still one of the most decorated softball players in SAC history. As a player she won three of their first four SAC softball championships. She was a two-time All-American, three-time All-District selection, three-time All-SAC selection and the SAC and District Player of the Year in 1993. Her .524 batting average in 1992 and 68 runs scored in 1991 remain SAC single-season records. Her love for the game, heart for our students and experience as a Viking coach make her a huge addition to our program.

Hannah Riddle comes to THS after a highly successful playing career at Walters State and King University. During her senior year (2018) she was selected as the Conference Carolinas Player of the Year with an overall batting average of .371. She led the conference in hits with 72 and she belted 13 homeruns. She was the first King softball player selected to the NFCA All-Region team where she earned that award both her Junior and Senior years. She helped guide her team to the schools first NCAA postseason win in 2018 with a pair of victories in the NCAA Region tournament. Her knowledge of the game and will to win make her a valuable asset to our coaching staff.
